## Glaciers & Wildlife

### Jun 21, 2022 - Jun 30, 2022

For many this is a bucket list destination, and I want you to be able to see why I love Alaska so much. There's beauty at every turn. Every bit as spectacular as you've heard. Magnificent glaciers, wildlife, and history. Filled with icy fjords that tower over the Pacific Ocean while snowy peaks stretch towards the horizon, Alaska feels boundless. Yet incredibly intimate as you watch eagles nesting along coastal forests. Are you ready to get an up close experience with Alaska? Let's go!

### Alaska: Hubbard Glacier, Skagway & Juneau

CARRIER

Norwegian Cruise Line

Sail round-trip from Seattle to Alaska for 9 days, including an unforgettable day spent cruising by the Hubbard Glacier. In Icy Strait Point, you'll find the largest Native Tlingit village in the state. Since every shop here is Native-owned, this is the place for authentic goods and handicrafts. Pan for gold, feast at a salmon bake and visit a musher camp in Skagway. This town is easy to explore on foot, but the White Pass Railway will give you a good look at Alaska's picturesque interior. Just outside of Juneau is where you'll find Mendenhall Glacier. Walk the nature trails and explore the Visitor Center with its view of the Juneau Ice Field. Juneau also offers excellent shops and restaurants, including the iconic, Red Dog Saloon.

**Ship Information** Where in the world do you want to cruise? Chances are the recently refurbished Norwegian Sun can take you there with cruises to the laid-back Caribbean, sun-drenched Bahamas, the world's greatest shortcut the Panama Canal, or into the frozen wilderness of Alaska. While you're becoming a world traveler, you won't have to worry about what to do or where to go, as there are plenty of dining options, a variety of bars and lounges, the relaxing Mandara Spa, and the always-exciting Sun Club Casino.
