### **How We Use Your Personal Information:**

We use the information you provide about yourself when placing an order only to complete that order. We do not share this information with outside parties except to the extent necessary to complete that order.

We use the information you provide when making and confirming airline, cruise and tour reservations. The information we pass on for travel purposes is retained by airline, cruise

and tour companies as passenger and customer records. Most, if not all, of these suppliers post their own privacy policies related to customer data. Please be advised that following the tragedy of September 11, 2001, many of these suppliers have acted contrary to their own privacy statements and provided their passenger and customer information to datamining companies that contract with the federal government. Therefore, On the Fly Vacations has no control over the data it provides to its suppliers.

We also use the information you provide when placing an order to ship airline or cruise tickets and reservations and to confirm delivery. We do not share this information with outside parties except to the extent necessary to complete that order.

We use return email addresses to answer the email we receive. Such addresses are not used for any other purpose and are not shared with outside parties.

We use non-identifying and aggregate information to better design our website and to share with advertisers.
